EXPERIENCE

Logistics / Warehouse Assistant · Summer 2026 · DAHER · Tarnos
Inspection of parts and checking of documents, inventories and packaging of aircraft parts.

End-of-preparatory-course internship · 2026 · Diehl Aviation · Toulouse
Diehl Aviation is a pioneer in aircraft cabin interiors and avionics. This international supplier develops cutting-edge technologies used around the world.

Sales assistant for 2 months · Summers 2023, 2024 and 2025 · Anglet
Les Jardins du Refuge / Congregation of the Servants of Mary
These three summer periods enabled me to take responsibility for managing a shop:
– welcoming customers;
– operating the cash register;
– setting up displays and organising the shop;
– managing stock and ordering items from suppliers;
– choosing new partners;
– supporting the work of the ESAT Recur d’Anglet within the shop.

Year 10 work experience · 2020 · L’Agefiph
L’Agefiph provides support for the employment of people with disabilities.

EDUCATION

1st year at INP-ENSEEIHT (N7) · 2026
3EA Department: Electronics, Electrical Energy and Automation.

Scientific preparatory class T2 in Toulouse (INP)
Scientific preparatory course completed.

French Baccalaureate · 2024
Specialities: Mathematics and Physics-Chemistry / Honours (Good).
Options: Sports and advanced mathematics.

Member of the French Aeronautical Federation (FFA)
BIA certificate / 2023 / Very Good.
The BIA is an official French qualification that introduces the fundamentals of aeronautics and space. It provides a first insight into the world of aviation.

PSC1 First Aid Certificate · 2017 · French Red Cross
The course provides the skills needed to perform basic first-aid procedures.
